6.	Dr. Umesh Kumar Choudhary	Forensic Medicine & Toxicology	Member
7.	Dr. Virendra Kumar Goyal	General Medicine	Member
8.	Dr. Satya Prakash Gupta	General Surgery	Member

As per MCI, the phase wise Curriculum Sub-committee (CSC) should consist of heads of departments/ key faculty from each specialty teaching in that phase and with representation from members of other phases and will report to the Curriculum Committee.

The functions of the Curriculum Sub-committee are summarized below :

- Responsible for the implementation of the curriculum in each phase
- Meets as often as needed
- Reviews competencies for the phase and converts them into learning objectives
- Works in aligning the curriculum as much as possible and enlisting help from other phases in creating necessary vertical integration and links
- Reduces redundancy across the phase by integrating overlapping teaching elements
- Develops learning and assessment methods for each phase
- Prepares the timetable for the phase and presents it to the CC for approval
- Collects feedback and provides student support
