OFFICE - ORDER Student Welfare Committee (Hostel, Mess, Sports, Literary & Cultural Activities)

At any educational institution, students occupy a pivotal position, where all activities revolve around them. The overall institutional ambience must reflect planned efforts for the welfare of the students and the activities must not be just confined to achievements of desired academic standards but also to incorporate sincere efforts directed towards overall welfare & development of the students. The Student Welfare Committee is responsible to consider and recommend policies pertaining to the coordination and regulation of student organizations, social events, academic conduct of students, advisory and counseling program, orientation, welcome to new student program, student development program, and student research studies for publication. It is the responsibility of the committee to maintain and improve an atmosphere, conducive to the pursuit of academic goals.

The **Student Welfare Committee** of the American International Institute of Medical Sciences, Udaipur for the session 2022-23 is being reconstituted to execute matters pertaining to students, be it academic or administrative in nature. This committee shall review the conditions that contribute to the academic success, personal development and well-being of students. The new committee consists of following members :
